

**Internet:** AICS offers Internet Browsing Facility (AICSweb) to students. Internet facility is also available in the library.

**AI-Vana -The Biodiversity Park:** The College has an extensive Biodiversity Park with various kinds of endangered plants - a place for practical work for the Botany students. There is also a green house where special attention is given to some plants including orchids with easy access to tissue culture students.

**Teletorium:** The College offers media services through the spacious Audio-Visual room. The Audio Visual room provides viewing facilities with modern audio visual instruction materials. Tele-Conferencing opportunity is made available.

**The Observatory:** The College has commissioned an observatory AL SOLARIUM with an advanced 8 inch rotating telescope to observe and study the universe around us.

**Hostels :** Students who do not live with their parents, near relatives or guardians are expected to live in hostels approved by the College. There are two separate hostels for boys and girls run by the College and their capacity has been increased with the addition of new buildings. Vegetarian and non-vegetarian food is available. The hostels are governed by the rules and regulations framed by the Management.

As a matter of policy, the College discourages students staying in rented houses or flats on their own, forming groups of similar students. Outstation students may go to other approved hostels only after refusal of admission in our College Hostels. Anyone residing outside hostels must inform the Principal. They should also submit a letter from their parents to the Principal approving their stay outside.

**Distance Education Centre:** The campus houses IGNOU (IT Block) for continuing higher education. IGNOU provides learning support through learner friendly self instructional study material and interaction with subject experts during the counseling sessions or home-based assignments.

**Games and Sports:** Department of Physical Education has a tradition in the field of Sports and Games for the past 128 years. Its flag flies high in the National, State, University and Intercollegiate level with a large number of laurels to its credit. The college has extensive indoor and outdoor facilities to cater to the needs of the students, with excellent coaches.

**Counseling Services:** Counseling services are available to students and their parents. Students may seek help for a variety of concerns including: improving relationship with family, friends, room-mates, making important decisions about one's personal life, dealing with painful feelings like loneliness, depression etc. Counseling services are confidential and often provide academic support too.

**Mentoring System:** Each class will have a teacher who will function as a Mentor, to create an adequately supportive climate at work. The function of the Mentor is more a matter of providing the micro-environment in which the talents of a person can flourish. The Mentor, as an animator, takes personal interest in each student's achievement and transforms a class into an effective team. A special mentor has been appointed to look after the well being of the foreign students.

**Human Resource Development Programmes:** The Department of Human Resource Development conducts courses for highly motivated students. The Certificate courses offered by the Department are: Debating, IAS, IPS, IFS, KAS Preparatory Course, Yoga Therapy, Good Handwriting and Stagecraft.

**Outreach Programmes:**

- ◆ Sahodaya : Our students are trained to interact with the physically challenged persons.
- ◆ Camps are a regular feature of A.I.C.U.F., C.L.C., N.C.C. and N.S.S. where students learn to accept opposing viewpoints in a friendly environment.

**C.P.T. Classes :** The college has got the accreditation to conduct classes for preparing students to take up "Common Proficiency Test (CPT)" of the Institute of Chartered Accountants of India. The classes will commence from June 2008 for December 2008 exam and from December 2008 for June 2009 Exam. You may visit the Department of Commerce for more details.

**Mid day Meals Scheme:** The College offers mid-day meals free or at concessional rates for the economically deserving students.

**Placement Cell:** Every year a large number of firms conduct campus interviews in the College and offer employment to our outgoing students. Names of few reputed companies that visited our campus last year are Infosys, DELL, HP, Goldman Sachs, Wipro, TCS, JP Morgan Chase, Google, Accenture, Tesco, Deutsche Bank, IBM. You may visit: <http://staloyusplacements.googlepages.com> for details on placements.
